

COVID Testing Sites in Mercer County as of December 2, 2020

Compiled by Buhl Regional Health Foundation

Med Express, 1729 E. State Street, Hermitage, PA

Drive-up COVID site

Evaluation will be conducted, and patient will be billed; Labcorp bills for urgent care visit, not for test – cost depends on coverage. \$119 for no coverage.

Transfer Health Center – PHN, 225 Edgewood Dr Ext, Transfer, PA

By appointment only, test is free but there is a charge for the medical appointment.

Requirements: A PHN Provider order is required as they are only testing PHN established patients. New patients must establish via tele-health appointment to evaluate symptoms. PHN testers can travel to test PHN patients without access to transportation.

Sharon Medical Center – PHN, 63 Pitt Street, Sharon, PA

By appointment only, test is free but there is a charge for the medical appointment.

Requirements: A PHN Provider order is required as they are only testing PHN established patients. New patients must establish via tele-health appointment to evaluate symptoms. PHN testers can travel to test PHN patients without access to transportation.

Walberg Pharmacies (FREE):

Do not show up at pharmacy, you must register first. Go to website “doineedacovid19test.com” and apply for a voucher. Go to the designated pharmacy and call from your designated parking spot. Staff member will come to your car and give you a test that you administer yourself in your vehicle and give back to Walberg team member. Tests are sent to lab via FedEx. Test results are emailed to you, takes 3-5 days – only you receive the test results.
