

# Protect yourself.

## Get scheduled for the COVID-19 vaccine.

Our team of experts are working to remove the real and perceived obstacles preventing our community from getting vaccinated. We offer onsite vaccine scheduling services and education.

For more information, please call 724-977-3231 or visit:

### Why should I get the COVID-19 vaccine?

- It's safe.
- It's effective.
- It's free.
