COVID Testing Sites in Mercer County as of October 2021

Compiled by Buhl Regional Health Foundation

*If you're experiencing a true medical emergency, dial 911 or visit your nearest emergency department. We recommend calling ahead to the emergency department so that providers are aware of your symptoms.

Keep in mind, if you simply need a Coronavirus test — because you're not feeling well or you've been exposed — it's better to call your doctor or visit an Urgent Care Center rather than the emergency department.

Med Express, 1729 E. State Street, Hermitage, PA
No appointment required, call 724-347-2083 for availability. Patient will have an evaluation by provider. Cost depends on insurance coverage; if no insurance the cost is PCR - $119 and Rapid Test - $189. LabCorp may bill patient for fees associated with COVID test.

Primary Health Network (PHN)
By appointment only, test is free but there is a charge for the tele-health medical appointment. For more information or to schedule an appointment, please call 724-699-9211, option 1. Requirements: A PHN Provider order is required as they are only testing PHN established patients. New patients must establish via tele-health appointment to evaluate symptoms. PHN testers can travel to test PHN patients without access to transportation.

- **Mercer Primary Care – PHN,** 737 Greenville Road, Mercer, PA (1st and 3rd Friday of the Month ONLY)
- **New Castle Primary Care – PHN**, 1112 S. Mill Street, New Castle, PA
- **Sharon Medical Group – PHN,** 63 Pitt Street, Sharon, PA

Rite Aid (FREE)
Free, contactless COVID testing for ages 4 and up. Appointment is required. Same-day appointments available. Visit www.riteaid.com/pharmacy/services/covid-19-testing to register for an appointment online after completing screening questions. Patients will receive a self-swab test kit and instructions at the pharmacy drive-thru window. At-home and mail-in COVID-19 tests are available to purchase online, subject to availability.

- **Farrell,** 700 Sharon New Castle Road, Farrell, PA
- **Greenville,** 335 Main Street, Greenville, PA
- **Grove City,** 126 W Main Street, Grove City, PA
- **New Castle,** 31 N Jefferson Street, New Castle, PA
- **New Castle**, 1730 Wilmington Road, New Castle, PA
- **Sharon**, 811 E. State Street, Sharon, PA

Walberg Pharmacies (FREE):
Free appointment-based, drive-up (or curbside) COVID-19 test collection for prescreened individuals. Patients will need to make appointments for testing at DoINeedACovid19Test.com. Once at the pharmacy, patients remain in their vehicle for a self-administered test with a nasal swab. The sample kit is sealed and pharmacy staff submits the test to the lab for processing. Results are ready in three to five business days.

- **Carefill Greenville Pharmacy**, 43 Williamson Rd. Suite 1, Greenville, PA

- **Herbert's Pharmacy,** 270 East Main Street, Andover, OH
- **Jamestown Pharmacy**, 121 Liberty Street, Jamestown, PA
- **Mercer Pharmacy**, 737 Greenville Road, Mercer PA
- **New Castle Pharmacy,** 1112 Mill Street, New Castle, PA

Rx Xpress Pharmacy (FREE), 111 Mill Street, Grove City   724-458-8420
Free appointment-based, drive-up (or curbside) COVID-19 test collection for prescreened individuals. Patients will need to make appointments for testing at DoINeedACovid19Test.com. Once at the pharmacy, patients remain in their vehicle for a self-administered test with a nasal swab. The sample kit is sealed and pharmacy staff submits the test to the lab for processing. Results are ready in three to five business days.

Grove City Hospital, 631 N. Broad Street Ext. Grove City
Referral required – only patients who have been previously evaluated by an AHN affiliated healthcare provider for COVID-19 symptoms and who has a valid prescription order from their doctor may be tested at collection sites at this time. Call your doctor if you're experiencing symptoms or think you've been exposed to Coronavirus. Your provider will give next steps, which may include testing. Most of AHN's family medicine, internal medicine, and pediatric offices are testing patients on-site.

UPMC Urgent Care, 1075 N. Hermitage Road, Hermitage
You must have an order (referral) to schedule online for a COVID-19 test at select UPMC Urgent Care locations at www.upmc.com/covidtestingUC . UPMC Urgent Care staff can administer a COVID-19 test while you are in your vehicle or safely inside the office. * If you do not have an order, you will be asked to come into the UPMC Urgent Care facility for an evaluation to determine whether a test is recommended. Medical evaluations are provided for 'walk-in' patients only during regular business hours, first come-first served.

Quest Diagnostics (FREE)
Free, COVID testing for ages 2 and up. Appointment is required. Same-day appointments often available. Visit www.patient.questdiagnostics.com/no-cost-covid-test to register for an appointment online after completing screening questions. Testing and sample collection are available at a variety of locations, including Walmart®, Quest Patient Service Centers, and other pop-up sites. Appointments are required at all locations. Locations available to you may vary based on your location and if you have symptoms.

Walgreens (FREE)
Free, contactless COVID testing for ages 3 and up. Appointment is required.
www.walgreens.com/findcare/covid9/testing to schedule appointment online after completing screening questions. Patients will receive a self-swab test kit and instructions at the pharmacy drive-thru window. Rapid and PCR tests available, test type may vary based on availability. At-home and mail-in COVID-19 tests are available to purchase online, subject to availability.
