

## Vaccine information for Individuals Without Internet Access

Pennsylvania Departments of Health and Human Services would like to share resources surrounding COVID-19 vaccine information for individuals that have limited or no internet access. The following services are available to learn more about the COVID-19 vaccine, including locating a healthcare provider, by phone:

- If an individual does not have a direct support professional (DSP) that can provide them with the appropriate COVID-19 vaccine and healthcare provider information, they can call the **PA Health Hotline** at **1-877-724-3258**
- Persevere PA is a COVID-19 crisis hotline designed to link callers with counselors to assist with the mental health impacts of COVID-19. They can also assist a caller in finding a healthcare provider to administer the vaccine when their corresponding phase arrives. Resources in both English and Spanish are attached with more information. **Call Persevere PA at 1-855-284-2494**
- When arranging for an individual who is deaf or hard of hearing to receive information via telephone, PA Relay Services are available by **dialing 711**.

**Please share this information with those who may require information by telephone.**
